# PRESIDENT'S LETTER

Greetings neighbors, I hope my letter finds you well! School is back in session and the leaves will be turning soon.

In November, the Carillon monument will reopen after the first phase of renovations to host Veterans Day events. In particular, the day will mark the 100-year anniversary of the end of World War I - the conflict that the Carillon was built to memorialize. Our neighborhood will play a unique role in hosting the public, elected officials, and veterans of all wars. A special thanks to our own neighbors, Beth O'Leary and Christina Draper, on keeping us so connected to this event.

Be sure to connect with your neighbors at Byrd Park Roundhouse concerts and the December carriage ride event. And around Richmond, head to a TJ football game, take a haunted hayride, or enjoy cheering on the Richmond Marathon.

As always, I welcome you to join us at a CCA board meeting, held the 2nd Tuesday of each month at Unity Church at the corner of French and Blanton.

Happy Fall!

Zeke Brody

CCA President

## Sympathies

### Richard Towell

The Carillon neighborhood was saddened recently by the death of Richard Towell on August 12. Richard was a founder of the CCA and of Arts in the Park. His belief in what we could accomplish as a group of neighbors working together was an inspiration to us all. He and his late wife, Carol, were dedicated to our immediate neighborhood and to the City of Richmond as a whole.

Richard and Carol raised their four children at 3111 Sunset Avenue, where Richard resided until his marriage to Anita Grymes in 2010. In addition to his wife, he is survived by his four children and five grandchildren.

### Dorothy M. Baker

Dorothy M. Baker who lived at 3012 Maplewood Ave, passed away peacefully at home on April 27, 2018. Mrs. Baker was our neighbor for nearly forty years. She was an active member of the Major Strikers Bowling league and bowled skillfully for her team until the age of 92 years old. She will be greatly missed by her neighbors, friends and daughter.

### Lucille Parham

Mrs. Lucille Parham who lived at 3010 Maplewood Ave. made her transition on August 19, 2018. She has been a member of the Carillon community for over forty years. Mrs. Parham was known for her commitment to family and her protective way with children. Her hospitality and her cooking were sought out by many on Sundays after church. She enjoyed sitting on her front porch daily.
